*Your own subsidized limit may be less than the maximum limit based on your individual FAFSA and other sources of aid already received. If you have subsidized eligibility, the financial aid office will first process a subsidized loan before processing an unsubsidized loan, up to the total amount you request below.

**Independent students and/or dependent students whose parents were not approved for a Federal Direct PLUS Loan may borrow an additional $4,000 (first-year/sophomore) or $5,000 (junior/senior) in unsubsidized loan, over the amounts indicated above. The financial aid office must receive verification of the PLUS Loan credit denial.

The interest rate for loans processed in the 2020-21 academic year is 2.75%. The origination fee is 1.059%. The loan proceeds that apply to your student bill will be for the amount borrowed less the origination fee. Interest will not accrue on subsidized loan proceeds during in-school periods. Interest accrued on unsubsidized loan proceeds must be paid during in-school periods or unpaid interest will capitalize and be added to the principal.

☐ I authorize the financial aid office to process a Federal Direct Student Loan for $____________________, through a combination of subsidized and unsubsidized loans.
